Founder & Managing Director

A Word From The Founder

I founded Sino Concept with a clear objective:
to offer **factory-direct pricing**, **European quality standards**,
and **clear product specifications**.

I have been living and working in China since **2008**, which allows direct,
daily involvement with factories, production, and quality control.
Decisions are made on site, with no unnecessary intermediaries.

Our goal is simple:
you focus on sales and distribution, we take care of design,
production, and logistics.

Thank you for working with Sino Concept!
